

Flexitog Clothing Sizing Guide

Measuring guide:

Measurements displayed are based on body measurements (not actual garment measurements)

Measure your chest: measurements should be taken from under the arm and around the full girth of your body

Measure your waist: measurements should be taken from around the hips, if in doubt go up a size!

GLOVES

Measure your dominant hands diameter at the fullest part (normally your knuckles)

use the chart below to check your glove size

Please remember, gloves that are too tight will result in cold hands, so if in doubt go up a size!
